

The University of Texas at Austin School of Nursing

Alternate Entry Doctor of Philosophy (PhD) in Nursing Application Materials Checklist

APPLICATION DEADLINE: *OCTOBER 1st*

The Graduate and International Admissions Center (GIAC) process applications for graduate admissions. To apply for graduate admission to the School of Nursing the admissions application must be completed electronically at [Apply Texas](#) during the open application period of **August 1st through October 1st**.

The following documents must be uploaded via the [Online Status Check](#) page by the APPLICATION DEADLINE of **October 1st**:

- ① **Application**-GIAC process applications for graduate admissions. Applications are to be completed and paid at [Apply Texas](#). For additional information on Graduate admissions, please visit the [University of Texas at Austin Graduate School](#) webpage.
- ① **Official Transcript(s)** from each **four-year academic institution** you have attended as well as **transcripts** from **Community Colleges** attended for prerequisite courses. **All 4-year institutions and each community college where a prerequisite was taken must be listed on the application.** Upload a copy of official transcripts dated one year or less; if admitted official, hard copy, transcripts are required.
- ① **Official** report of **GRE** scores; scores are valid 5 years prior to the program start date. GRE School Code: 6882 (a department code is not required).
- ① Current **Curriculum Vitae (CV)** indicating educational background, professional experience, volunteer experience and other relevant information (e.g. publications, scholarship and awards, professional organizations and community activities).
- ① **Statement of Purpose**, double spaced, 1 inch margins, 12-point and maximum length of 2 pages, addressing the following:
 - Discuss the development of your interest in nursing graduate education.
 - Discuss the basis for your choosing nursing as opposed to other health-related professions.
 - Identify & describe research interests and goals which you are applying, describe the basis for your choice and identify your personal and professional goals.
 - Discuss any special circumstances that you believe require further clarification.
- ① **Three recommendations.** Provide the name, position and email address for three recommenders on the application for admissions. Recommenders are sent an email with instructions on completing the reference form.
 - *At minimum one recommender must be from a healthcare professional, such as a nurse, physician, nurse practitioner or clinical nurse specialist.*
- ① **Prerequisite check sheet.** Provided at time of application. Must be completed and signed by applicant.
- ① **Prerequisite transcript evaluation** completed by the School of Nursing (if applicable).
 - *Upload as a miscellaneous document*
- ① **International applicants** must provide official report of Test of English as a Foreign Language (**TOEFL**).
