Office 82-02-3277-2882

Fax: 82-02-3277-2850

EDUTATION

2007-2012	PhD	The University of Texas at Austin, School of Nursing
2005-2007	MSN	The University of Texas at Austin, School of Nursing, FNP program
1998-2002	BSN	Ewha Womans University, College of Nursing Science, Seoul, Korea

CERTIFICATES AND LICENSURE

2008	Family Nurse Practitioner in the state of Texas, U.S.
2005	Registered Nurse in the state of Texas, U.S.
2002	School Health Teacher, the Ministry of Health & Welfare, Korea
2002	Registered Nurse issued by the Ministry of Health & Welfare, Korea

PROFESSIONAL EXPERIENCE

2021	Visiting Scholar at The University of Texas at Austin
2021	Associate Professor at Ewha Womans University
2014	Assistant Professor at Ewha Womans University
2013	Visiting Professor at Ewha Womans University

Revised Aug 26, 2021

2012 (Fall) Lecturer at Ewha Womans University
2012 (Spring) Teaching Assistant at skills lab as well as at simulation lab at University
of Texas at Austin, School of Nursing (UTSON)
2010-2011 Family Nurse Practitioner at Nursing Homes and Assistant Living Centers
(made contract with Dr. Mary Maxwell, a family medicine MD)
2009-2012 Graduate Research Assistant for the research at UTSON, “Live Able”
PI: Heather Becker, PhD
2008-2012 Graduate Research Assistant at UTSON, Cain Research Center.
2004-2005 Staff Nurse, Center for Ageing, SamSung Cheil Hospital.
2002-2003 Staff Nurse, Department of neurosurgery and neurology, Ewha Womans
University Mok-Dong Hospital, Seoul, Korea.

RESEARCH GRANTS – FUNDED AND ACTIVE

Kang, S. J. (PI) 2021 – present

Funding: National Research Foundation of Korea, ₩150,000,000

Development and evaluation of web-based nursing simulation for LGBT patients with unmet needs

Kang, S. J. (PI) 2021

Funding: Ewha Womans University, ₩9,000,000

Postpartum sexual health among Korean Women

Kang, S. J. (PI) 2018 – 2021

Funding: National Research Foundation of Korea, ₩150,000,000

Development and evaluation of web-based simulation for newly graduated nurses

Kang, S. J. (PI) 2016 – 2018

Funding: National Research Foundation of Korea, ₩100,000,000

Development of online-offline integrated intervention to improve cognitive function for breast cancer survivors

Kang, S. J. (Co-I) 2016 – 2017

Revised Aug 26, 2021

Funding: Korea Nurses Association, ₩30,000,000

Development of integrated home visiting nursing care model and improvement plan in Korea

Kang, S. J. (PI) 2014 – 2015

Funding: Ewha Womans University, ₩15,000,000

Psychological safety for clinical nursing simulation among undergraduate students

Kang, S. J. (Co-I) 2013 – 2014

Funding: Republic of Korea National Assembly (from Kyung-Rim, Shin, a member of National Assembly) ₩5,000,000

Analysis of the scope of practice of nursing staffs

Kang, S. J. (PI) 2011

Funding: Research Grant Award for Dissertation from STTI Epsilon Theta Chapter, \$1,000

Healthy eating habits among Korean Americans (Dissertation)
