

The University of Texas at Austin School of Nursing

Alternate Entry Prerequisite Course Equivalencies

Prerequisite Course	Credits Required	The University of Texas at Austin	Texas (All) Community Colleges (Ex: ACC)	Texas A&M University	Texas State University (San Marcos)
*+Anatomy or A&P I with Lab	4	BIO 446L or KIN 324K	BIOL 2401 or BIOL 2304 Lec & BIOL 2101 Lab	BIOL 319 or ZOO 319 or VAPH 305	BIO 2451
*Physiology or A&P II with Lab	4	BIO 365S & 165U	BIOL 2402 or BIOL 2305 Lec & BIOL 2102 Lab	BIOL 320 or ZOO 320 or VTPP 423	BIO 2452
+Microbiology	3	BIO 326M or BIO326R or BIO226N	BIOL 2420 or BIOL 2421	BIOL 456 or BIOL 206	BIO 2400/2440 or AHS 2440
*Pharmacology	3	PHM 338	HPRS 2300 or RNSG 1301	VTPP 425 or VTPP 430	RC 1321
Human Growth & Development (Lifespan)	3	PSY 333D	PSYC 2314	PSYC 307	PSY 3300 or FCD 1351 or PSY 2315
Nutrition	3	NTR 306 or NTR 311 or 312	BIOL/HECO 1322 or BIOL 1323	NUTR 202 or BICH 401 or FST 202 or NUTR 203	NUTR 2360 or HE 2367 or FCS 2367 or 3367
Statistics	3	SSC 302 or EDP 371 or SOC 317L or PSY 418 or M 316	PSYC 2317 or MATH 1342	EDSY 439 or STAT 302	PSY 3301 or PSY 3387

Recommended courses are in **BOLD**, other acceptable courses are in parentheses.

This list is **NOT** all-inclusive, other courses not on this list can be sent to graduate student services, contact information below, for approval.

Prerequisite Course Policies

- A grade of “**C**” or **higher** must be earned in all prerequisite courses.
- Applicants **MUST** have completed a minimum of **5** prerequisite courses by December 31st of the year applied.
 - **+Two of the five** completed courses must include **Human Anatomy, Microbiology**, plus any three other prerequisite courses.
- Final grades for any prerequisite courses **In-Progress** during the semester of application (**Fall**) must be received in the Graduate Student Affairs Office by **January 5th**. See “**Application Information**” on the UT Austin School of Nursing website for further instructions.
- *Applicants **MUST** have completed **Human Anatomy, Human Physiology, and Pharmacology** courses within the past **6 years** from the date of anticipated AE program enrollment.
- All 7 prerequisite courses must be complete before **ENROLLING** in the AE program, **NOT** by the application deadline. The program typically starts around June 1st.
- All prerequisite courses are available in Distance Learning format (see page 2 & 3 for approved courses). Any online courses not on this list can be sent to the AEMSN graduate coordinator for approval.
- All prerequisite courses are subject to approval by the Graduate Student Services Office.

Transcript evaluations for prerequisite course completion are recommended prior to applying to the AEMSN & AEPHD programs. To request an evaluation of your transcripts, **please email your contact information and copies of your transcripts (copies of official transcripts are preferred but not required) to: [Tracy Demchuk](#).**

Please note- course syllabus may be required for review.

**Approved Distance Learning Courses
for Alternate Entry Prerequisites**

Human Anatomy or Anatomy & Physiology I*

NR.110.204	Anatomy with lab	John Hopkins University
BIO 290	Human A & P I	University of Phoenix
BIOL 2111K	Human A & P I	Darton State College
BIO 201 & BIO 201L	A & P I with Lab	Straighterline College
BIO 107 & BIO 107L	A & P I with Lab	Gwynedd Mercy University
BIOD151	A & P I with Lab	Portage Learning

Human Physiology or Anatomy & Physiology II*

NR.110.205	Physiology with lab	John Hopkins University
BIO 291	Human A & P II	University of Phoenix
BIOL 2112K	Human A & P II	Darton State College
BIO 202 & 202L	A & P II with lab	Straighterline College
BIO 108 & BIO 108L	A & P II with Lab	Gwynedd Mercy University
BIOD152	A & P II with Lab	Portage Learning

Microbiology*

NR.110.203	Microbiology with lab	John Hopkins University
BIO 250	Microbiology	Straighterline College
BIO 340	Microbiology	University of Phoenix
BIOL 232 DL	Microbiology	Ocean City College
BIO 202	Microbiology	Gwynedd Mercy University
BIOD171	Microbiology with lab	Portage Learning

Pharmacology*

HSN301	Pharmacology I	University of Phoenix
ALH 5230	Pharmacology	Cowley College
NR 245	Pharmacology	Butler College
HPRS 2300	Pharmacology for Health Professionals	Austin Community College
PHARM 103	Pharmacology	Straighterline College
NUR 314	Pharmacology	Gwynedd Mercy University
NURS 251	Pharmacology	Portage Learning

Human Growth & Development (HG&D) Life Span*

NR.110.201	HG&D Through the Lifespan	John Hopkins University
PSY 235	Human Growth & Development	Arapahoe Community College
PSY 280	Human Growth & Development	University of Phoenix
PSYC 2314	Human Growth & Development	Austin Community College
PSY 200 or PSY 202	Developmental Psychology or Human Development for Nursing	Gwynedd Mercy University
PSYC140	Developmental (Lifespan) Psychology	Portage Learning

Nutrition*

NR.110.200	Nutrition	John Hopkins University
SCI 220M	Human Nutrition	University of Phoenix
BIOL 1323	Human Nutrition	Austin Community College
NTR 241	Human Nutrition	Arizona State University
NUT 200	Nutrition	Gwynedd Mercy University
BIOD121	Essentials of Nutrition	Portage Learning

Statistics*

NR.110.202	Biostatistics	John Hopkins University
PSYCH 101	Psychological Statistics	Brigham Young University
STAT 221	Principles of Statistics	Brigham Young University
MTH 217	Statistical Applications	University of Phoenix
MATH 100	Introduction to Statistics	Portage Learning

**Courses listed may or may not be current at the institution listed. Check with each institution to determine course availability.*

NOTE: All courses listed, including distance-learning course, are approved and accepted. UT at Austin School of Nursing admissions committee accepts all approved courses equally and taking courses at the University of Texas at Austin is not preferred or required for the AEMSN program.
