

# Austin Police Department

You are invited to join a Community Engagement Dialogue with the Austin Police Department on February 24.

Facilitated by Joyce James Consulting, APD is highlighting the Groundwater Analysis training that staff is receiving to understand institutional and structural racism.

Conversations are important, and we want to talk about how to create an equitable and inclusive environment for all.

6:00 - 8:30 p.m.

February 24, 2022

Holy Cross Catholic Church
