*N 396C is a prerequisite or co-requisite for N 394C.

**N 394C is a prerequisite for N 396L and N396M.

+N 396L and N396M are prerequisites for N 396N.

++N 496P requires concurrent enrollment in N 396N.

+++N 396N and N396P are prerequisites for N 496R. N 496R requires concurrent enrollment in N 295Q.

++++ N396Q is concurrent with N496R and N 295Q but can serve as an IPE course for other disciplines with faculty consent.

The curriculum prepares graduates to take the national certification exam offered by the American Nurses Credentialing Center (ANCC) and/or the American Academy of Nurse Practitioners (AANP) for credentialing and recognition as a Family Nurse Practitioner. The program meets the National Organization of Nurse Practitioner Faculty's curriculum guidelines.

Effective for all students beginning master's coursework in Fall 2016 and later. Courses are subject to revision. Catalog information may be viewed online at <http://www.utexas.edu/student/registrar/catalogs>.
