

Whitney A. Thurman, PhD, RN

Assistant Professor, School of Nursing
The University of Texas at Austin

wthurman@utexas.edu

Education

Post-doctoral Fellowship	College of Pharmacy, Health Outcomes Division The University of Texas at Austin Austin, Texas Supervisor: Leticia R. Moczygemba	2018-2020
PhD	School of Nursing The University of Texas at Austin Austin, Texas Dissertation: A capabilities approach to understanding health disparities Advisor: Tracie C. Harrison	2018
MSN	School of Nursing Concentration: Public Health Nursing The University of Texas at Austin Austin, Texas	2007
BA	College of Liberal Arts Major: Spanish Minor: History The University of Texas at Austin Austin, Texas	2001

Academic/Professional Appointments

The University of Texas at Austin <i>School of Nursing</i> Assistant Professor; Family, Public Health Nursing, and Nursing Administration Division	2020-current
--	--------------

Research Grants

Funded

Project Title (PI)	Role	Agency, Grant #	Award Amount	Award Period	Purpose
An Evaluation of a Pilot Homelessness Diversion Program in Austin, TX	PI	City of Austin Homeless Strategy Office	\$189,000	9/1/24 – 8/30/27	To evaluate the implementation and impact of the City of Austin's homelessness diversion program.
Developing Evidence-Based, Sustainable Solutions for Advancing Homeless Services	MPI	The University of Texas at Austin, OVPR Bold Inquiry Incubator Grant	\$20,000		To establish a Center of Excellence to advance homeless services that are evidence-based, person-centered, and sustainable.

(MPI: Heitkemper, E., Moczygemba, L.R., & Thurman, W.)					
Storytelling through Music: A Novel Approach to Improve Well-being among Homeless Service Providers (MPI: Phillips, C., & Thurman, W.)	MPI	The University of Texas at Austin, Moritz Center for Societal Impact Good Neighbors Grant Program	\$10,000	05/24 - 12/24	To evaluate the feasibility of implementing storytelling through music with homeless service providers working with the homeless population in Austin, Texas.
Uncovering and Documenting Hidden Productivity and Strengths of Young Adults Experiencing Homelessness	PI	The University of Texas at Austin, Office of the Vice President for Research, Scholarship, & Creative Endeavors	\$2,000	1/2/24 - 11/25/24	To demonstrate and better inform the general public of how young adults experiencing homelessness are productive, valuable, and yet highly marginalized members of society.
Co-creating a Social Care Research Agenda for Action on Homelessness with People Experiencing Homelessness and Community Stakeholders (MPI: Heitkemper, E. & Thurman, W.)	MPI	Social Innovation Research & Evaluation Network	\$49,999.95	11/1/23 – 10/31/25	To identify social care-related priorities of people experiencing homelessness and homeless services providers and co-develop a comprehensive research agenda in order to improve community capacity for social care research and practice.
Exploring Aging in Place Among Older Residents of Permanent Supportive Housing	PI	Gordon and Betty Moore Foundation	\$500,000	07/01/23 – 07/01/26	To examine how health and functional needs of older adults change during the transition from chronic homelessness into permanent supportive housing and to identify effects of varying supportive services on housing, healthcare utilization, and health outcomes in order to prevent returns to homelessness and reduce associated morbidity.
Pending Projects					
Evaluation of the Permanent Supportive Housing Health Care Collaborative	Co-I	Ending Community Homelessness Coalition	\$523,299	01/01/25 – 12/31/26	To evaluate the continuum of health services for people experiencing homelessness in Austin/Travis County with a specific focus on the permanent

					supportive housing health care collaborative.
Completed Projects					
The Role of Public Transportation in Meeting Health & Social Needs Among Unhoused Older Adults (PI: Thurman)	PI	St. David's Center for Health Promotion & Disease Prevention Research	\$30,000	08/01/22 – 07/31/23	To investigate how unhoused older adults access and navigate public transit in Central Texas and how no-cost access to public transit impacts health, functioning, and attainment of social needs among this population
Well without wellness? Impact of hydraulic fracturing wells on birth outcomes and mental health in Texas (PI: Wright, M.)	Co-I	The University of Texas at Austin, Center for Health and Environment, Education and Research	\$15,000	09/01/22 – 08/31/23	To determine the impact of hydraulic fracturing wells on birth outcomes and mental health.
The Role of Informal Organizations in Meeting the Health & Social needs of Unsheltered Black Adults in Austin/ Travis County (PI: Thurman)	PI	The University of Texas at Austin Faculty Innovation Grant	\$25,000	05/13/22 – 12/31/22	To investigate the nature and scope of informal homeless services providers' roles in meeting the needs of unsheltered Black adults in Austin/Travis County
Feasibility of Nurse-led Substance Use Interventions in Alternative Schools (PI: Johnson, K.)	Co-I	National Institute on Drug Abuse (NIDA), R03DA045268-01	\$151,348	07/15/18 – 06/30/22	To examine approaches, using a mixed methods design, to building capacity for registered nurses in alternative high schools to deliver evidence-based drug abuse and HIV prevention interventions.
Development of the Medication Access Screening Tool (RxMAST) in Patients with Chronic Diseases (PI: Brown, C.)	Co-I	Arlyn Kloesel Endowment for Excellence in Pharmacy Practice	\$45,114	02/01/21 – 1/31/22	To develop an assess a brief medication access screening tool that is grounded in social determinants of health that drive suboptimal medication use.
Integration of an mHealth Intervention with Community Navigation Services for People Experiencing Homelessness	Co-I	St. David's Center for Health Promotion Research	\$30,000	04/17/20 – 05/31/21	To decrease hospital and emergency department visits among people experiencing homelessness by integrating mobile health technology in a community setting in order to connect people experiencing

(PI: Moczygemba, L)					homelessness with health and social services.
Innovative State and Local Public Health Strategies to Prevent and Manage Diabetes and Heart Disease and Stroke (MPI: Barner, J. & Moczygemba, L.)	Co-I	Centers for Disease Control and Prevention, CDC-RFA-DP18-1817	\$588,500	09/01/18 – 09/01/20	To promote the adoption of medication therapy management between community pharmacists and physicians for the purpose of managing high blood pressure, high blood cholesterol and lifestyle modification.
A Grounded Theory Study of Adults with Disabilities in Rural Communities (PI: Thurman)	PI	Southern Nursing Research Society Dissertation Research Award	\$5,000	06/01/17 – 05/30/18	To investigate how working-age adults with mobility and sensory disabilities living in rural counties define and pursue well-being.
Not Funded					
Alternative High Schools, Substance Use Policies, and School Health Services (PI: Johnson, K.)	Co-I	NIH R01NR021188-01	\$3,808,183		To explore how approaches to addressing substance use in alternative high school settings contribute to the school-to-prison pipeline, within the context of district- and school-level substance use policies and health services staffing.
The Impact of an ARPA-Funded Outreach Program on Housing Outcomes (MPI: Moczygemba, L. & Hilbelink, M.)	Co-I	United States Department of Housing and Urban Development	\$799,904	01/01/24 – 12/31/27	To understand key elements and impact of an ARPA-funded outreach program on housing outcomes for people experiencing homelessness in Central Texas.
Nurses and Public Policy: Pedagogical Approaches for Shaping Disciplinary Values (MPI: Thurman & Heitkemper)	MPI	Spencer Foundation	\$499,999.58	01/01/24 – 12/31/27	To develop and refine a theoretical framework that can guide baccalaureate nursing education to equip RNs to engage in policy and advocacy and will position policy engagement as a core disciplinary value.
Understanding the Determinants and Outcomes of Permanent Supportive Housing Retention and Exit: Implications for Move On Strategies (PI: Al-Turk, A.)	Co-I	National Alliance for Ending Homelessness	\$200,138.03	10/1/23 – 9/30/25	To understand individual-, program-, and community-level factors that impact Permanent Supportive Housing retention and exit.

Extensive Engagement and Collaboration to Ensure a Person-Centered Evaluation of the AT Home Multi-Partner Permanent Supportive Housing Initiative (MPI: Thurman & Heitkemper)	MPI	Ending Community Homelessness Coalition	\$649,057	2023 - 2028	To measure the impact of housing on physical and mental health outcomes, level of engagement with the criminal justice system, and to evaluate which components of the initiative had the most substantial impacts on which groups of people.
Nurses and Public Policy: Pedagogical Approaches for Shaping Disciplinary Values (MPI: Thurman & Heitkemper)	MPI	Spencer Foundation	\$499,923.48	01/01/23 – 12/31/25	To develop and refine a theoretical framework that can guide baccalaureate nursing education to equip RNs to engage in policy and advocacy and will position policy engagement as a core disciplinary value.
Exploring the Role of Informal Partnerships and Social Networks in the Provision of Long-Term Services and Supports in Rural Texas (PI: Thurman)	PI	Institute for Rural Population Health & Aging	\$14,999.26		To investigate the nature and scope of how informal partnerships and social networks substitute for formal long-term services and supports in rural communities.
Influence of Social Connections on Health Outcomes for People with Diabetes (PI: Garcia, A.A.)	Co-I	National Institute of Nursing Research			To investigate the underlying mechanisms of four types of social connectedness for older adults who have diabetes and a co-occurring chronic disease.
