12. Personal Essay

This essay is an opportunity to introduce yourself to the committee. The Honors program requires an Honors research project, a paper, and presentation. This requires working with a faculty mentor over multiple semesters.

Write no more than two double-spaced pages with 1-inch margins in standard 12-point font. Essays will be scored for content and the quality of writing including spelling and grammar.

In your essay, answer the following two questions: 1) *How are you prepared to be successful in the Honors program (e.g., writing skills, time management, goal-oriented)?* 2) *What do you hope to gain by completing the Honors Program in Nursing?*
